Profile

Name – Bhakti Vishnu Chatlani
Std – 3rd
Date of Birth – 26th October 1998
Add – Jeevan Beema Nagar R/2, V/3, Borivali (W),
Mumbai – 400 103
Hearing Loss – (B) Profound Sensorineural Hearing Loss.

Family Background

Bhakti stays at Borivali with her hearing handicapped parents and Bhakti is a calm, smiling, adorable, energetic girl. She is regular in school, exhibits good strength in learning. She always gets good remarks on progress card and being sincere in her studies. She is loved by her teachers.

Both the parents are hearing handicapped yet very determined and positive about her social as well as educational growth. Their main hurdle is however not their hearing impairment but financial which is stumbling them every now and then. to see their child get basic needs like books, educational material and very crucial hearing aids.

So our humble request to view the case with special effect and sponsor Bhakti for better learning.

Thanking you,

Yours Sincerely,

N.M. Gupta
